A GLIMPSE OF THE PAST

Music & production by Fumbata

EMPOWER

take it like a man when they tell you to
take it up the ass you know you want 'em to
make it hurt some more you know you want 'em to
break it off again but when I tell you to
SCREAM I want you to
SCREAM I want you to
fight it like a dog and then you go and you
make it what you want and EMPOWER

take it in your fist and then crush it down
break it to the core and then you can re-
make it how you like but don't you dare and go
fake it no no no but now I want you to
SCREAM I want you to
SCREAM I want you to
fight it like a dog and then you go and you
make it what you want and EMPOWER

fuck it I give up you will never learn
suck it I don't care it's not me but
damn it yes it is don't you know that we're
in it all as one that's why I want you to
SCREAM I want you to
SCREAM I want you to
fight it like a dog and then you go and you
make it what you want and EMPOWER

fight it when they speak you go and tell 'em to
bite it take their flag and take fire and
light it up in flames and when they tell you no
raise it to the sky I tell you to
SCREAM I want you to
SCREAM I want you to
fight it like a dog and then you go and you
make it what you want and EMPOWER

fist. fuck. bad. luck. make. might. fake. fight. set. sight. take.
flight. take. back. your. right.

face it if not you then who will do the task?
face it you're the one now get to it
see it to the end and make sure it's done
be it, you're the one and when I tell you to
SCREAM I want you to
SCREAM I want you to
fight it like a dog and then you go and you
make it what you want and EMPOWER

see it, the future you could have if only you
be it, yes you can, you just do it
think it and it's yours it can be if you
sink it to your soul I want you to
SCREAM I want you to
SCREAM I want you to
fight it like a dog and then you go and you
make it what you want and EMPOWER
